INSIDE | About us | Leadership | How you can help | Donors to the Mission

Sr. Frances Betz, OSB | Sr. Frances has been serving at St. Augustine for over 20 years and currently the school librarian.

ST. AUGUSTINE HISTORY & MISSION

St. Augustine Indian Mission, located in Winnebago, NE, was founded in 1909 by St. Katharine Drexel and is the only Catholic institution in the state directly founded by a canonized saint. The Mission serves kindergarten through eighth grade students from the Omaha and Winnebago tribes.

ST. AUGUSTINE

St. Augustine is blessed with a committed staff and Board of Advisors. The Mission is supervised under the auspices of the Archdiocese of Omaha. St. Augustine remains true to its Catholic heritage and welcomes students of all faiths. Students are taught traditional Native American culture and language, along with a solid core of academic subjects.

- St. Augustine Indian Mission is the only school in the archdiocese, out of 72 schools, designed and developed to serve the needs of Native American students in our community.
- 100% of our students are Native American and most are from the Omaha and Winnebago tribes. We do serve some families that may also be from other tribes.

UNEMPLOYMENT RATES:

- Nebraska – 2.5%
- National – 4.9%
- Winnebago Reservation – 18%
- Omaha Reservation – 70%

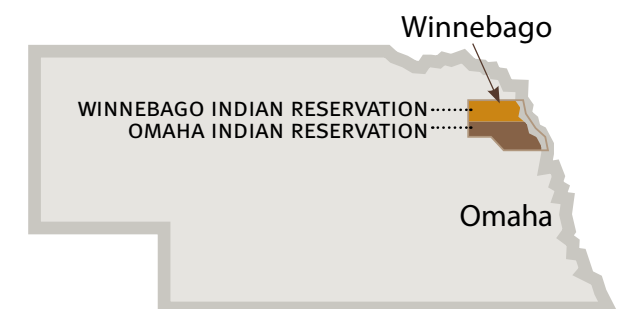

Both Omaha and Winnebago tribes see high unemployment on the Reservations compared to the state of Nebraska and National statistics (due to little or no business opportunities in the community and no access to public transportation).

MISSION STATEMENT

St. Augustine Indian Mission School strives to prepare students for their higher education by assisting them to become respectful of life, self-directed, and positive contributors to their community.

VISION 2022

St. Augustine's Indian Mission will be a nationally recognized model for K-8 education, rooted in its Native American culture and Catholic identity, known for academic achievement and family engagement that inspires students to excellence.

The St. Augustine Indian Mission School is located approximately 85 miles north of Omaha in Winnebago, Nebraska.

FROM FATHER MARK

Dear Friend:
“As the Director of the St. Augustine Indian Mission, it is a tremendous honor to carry on what St. Katharine Drexel began in 1909. I encourage you to come and visit the school and meet the dedicated staff who believe so much in sharing their gifts with the students and helping them develop them body, mind and spirit.”

As my first year as Director of St. Augustine’s comes to an end, I reflect at how much I have learned and all the wonderful people I have come to know in the community, school and the many supporters. I feel more at home each day and I look forward to my second year and, God willing, many more after that.

There is a lot of excitement in the school as the teachers and administration prepare for the beginning of the school year. Over the summer, the administration has been busy getting our internet up to speed with faster fiber optic connectivity. This is a crucial piece to help implement the new math program being introduced to the students this year. The new math program will assist our teachers in identifying areas where individual students might be having difficulty or maybe excelling. All of this should add up to our students having a better learning environment.

We know there is much work to do and many needs to be met. We want to create an environment for our teachers to provide the support for our students to grow and reach their highest potential in subjects like math, reading, and science; but foremost we want to plant the seeds of our Catholic faith and nurture their growth towards knowing the love of God in their lives.

The school is an important part of the community that serves a great purpose and is a beacon of hope to many of the families that have generationally attended St. Augustine’s. Your support helps us to continue to provide a good Catholic education.

We ask you to continue to pray for the success of the Mission. to share our story, and continue to support us to build on the legacy of St. Katharine Drexel, our foundress. Thank you in advance for giving what you can to the Mission and for keeping us in your prayers.

God bless,
Fr. Mark Beran

FROM DEACON DON BLACKBIRD

Don Blackbird was ordained a Deacon on May 6th, 2017 at St. Cecilia Cathedral in Omaha, NE

“This time of year always reminds me when I was student at St. Augustine’s. I still get that feeling of being excited; yet wishing summer vacation would last just a little longer. But the staff and I are getting ready for the coming year and anxious to see all the students for the upcoming new year.”

This past year, 2016-2017, we continued to see our students progress especially in Natural Science and Reading. Each at their own pace, but steadfastly making great strides. The administration continues to look for ways to enhance learning in the classrooms to help our students be successful.

As we get ready for the 2017-2018 school year, both the teachers and I are looking forward to the new Blended Learning Math Program we are implementing. The Blended Learning reading curriculum helped our students progress and exceed our expectations. We are confident that the new Math program will help us as educators help the students excel.

The teachers and I continue to participate in the School of Faith program through the Archdiocese. As a Catholic school, incorporating our faith into the everyday classroom is very important. Teaching the students that God is part of everything we do is something the teachers are very good at sharing in the classrooms.

This past year I was ordained a Deacon for the Omaha Archdiocese. Lying prostrate before the altar and receiving the imposition of hands from the Archbishop, was a very powerful grace-filled moment that cannot be described in words. It was not only a very humbling experience, but also one filled with love and reassurance being poured out by the Holy Spirit. With this added responsibility as Deacon, I hope that I can be a support to our staff in growing in faith and building our students up.

I am grateful to each of you for your continued support of St. Augustine’s. You are instrumental in creating a wonderful faith-filled educational environment in our community.

God bless,
Deacon Don Blackbird

YOUR CONTRIBUTIONS

“I contribute to St. Augustine because I would like to see a better world for the Omaha and Winnebago children. A good education is the path to that world.”

Mary Ann Nipp, St. Augustine Board Member

“It has been my privilege and joy to watch students learn and grow academically and socially. I have had the opportunity to teach entire families and watch them graduate from nearby high schools, going on to college or employment”. 5th Grade Teacher Sheryl Ashley

SUPPORTING ST. AUGUSTINE

Kelly Vazquez | Development Director

It takes every layer of an organization, from teachers, administration, and volunteers to donors, to make available a special educational opportunity for the children of the Omaha and Winnebago tribes at St. Augustine Indian Mission.

Through our Christian teachers, complimented by Native American mentors, St. Augustine Catholic school provides an education that is both academic and spiritual.

To provide these opportunities, it is essential that the whole organization support the programs that help us to raise the revenue to support our school. Our donors are crucial to our success. Our fundraising efforts depend on you, our donor, to help share with others the wonderful accomplishments and many needs of the Mission.

The following are ways you can support the school and help us to continue to provide quality education and help us plant the seeds of faith.

“Thank you to our donors who are supporting the St. Augustine Indian Mission. Please share our story with your friends, co-workers and family and help us build more awareness about the Mission’s needs.”

SPONSOR A CHILD

Donors can sponsor one or more children. Donors are assigned a specific student and letters are sent a few times a year and introduced at a luncheon held in the spring. This program is a wonderful way to have a personal relationship and positive impact on the life of a child on the reservation.

- Full Sponsorship is \$10,000 for a school year sponsorship*
- Half school year sponsorship - \$5000 per child**
- Quarter of year sponsorship - \$2500 per child**

SPONSOR A TEACHER

Donors can sponsor one of our teachers. Donors receive 2 letters from our teachers on the progress of our students in a variety of grades - sharing successes and needs in the classrooms. Donors are invited twice a year to visit a classroom, or schedule an appointment.

- Full Sponsorship is \$30,000*
- Half Sponsorship is \$15,000**

CIRCLE OF DREAMS

Dinner and Auction Event – This event is our largest fundraiser which supports our students’ education, teacher salaries and everyday operations.

- Underwriting, donations and attendance at the event helps us raise funds to offset the costs of educating our children.
- This event is held in Omaha, NE in the Spring each year

ST. AUGUSTINE INDIAN MISSION CALENDAR

Photos of students in traditional Native regalia grace this fundraiser. The pictures are taken by Fr. Don Doll SJ from Creighton University. This is our second largest fundraiser. Donors sponsor one of the twelve months. The Calendar helps share our students with donors and brings awareness of the needs in the community.

- Calendar Sponsorships are \$10,000*
- Suggested Donation for a Calendar is \$10 which goes to help educate the children of the Omaha and Winnebago tribes.

* Monthly giving program available for all sponsorship levels.

** Non-full Sponsorships are supplemented by our fundraising efforts.

CIRCLE OF DREAMS

“One of the most satisfying rewards at St. Augustine is when former students stop by to visit me... share memories they have from being in my classroom and it never fails to bring a tear, a laugh and a hug. “My Kids” are the reason I keep doing it!” *5th Grade Teacher Sheryl Ashley*
